Supplemental Declaration

I hereby state that I am the sole author of the specification and claims in app. Ser. No. 09/081,872, filed May 20, 1998, amended on or about August 31, 2004, which is now entitled "Electronic Signature Method", and I believe I am the sole and first inventor of the subject matter which is claimed and for which a patent is sought. I make this supplemental declaration under 37 C.F.R. 1.37 and 1.67, and MPEP §§ 602.01 and 602.02.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

I declare under penalty of perjury that the foregoing is true and correct.
